METHODOLOGY: A total of 167 B2B marketers were surveyed via email in 2019. Annual marketing budgets range from "less than \$25,000" (20 percent) to "\$100,000 to \$250,000" (17 percent) to "over \$1 million (21 percent)." Approximately 27 percent hold the title of Chairman/CEO/President/C-Suite Executive; 25 percent are directors; 23 percent are SVP or VP; and 19 percent are managers. Company size: 67 percent work in organizations of under 500 people and 17 percent indicated "more than 5,000." Respondents work in a variety of markets, including professional services, information technology, entertainment and media, manufacturing, financial services, hospitality, healthcare, aviation and construction.
